Dear Colleagues,

It gives me great pleasure to invite you to the **1st Surgical Course of Complex Uro-Genital Reconstructive Surgery In Adulthood**, organized on 7th and 8th November, 2008 at Clinical Center “Zvezdara”, Belgrade.

The structure of this Live Surgery course is based solely on surgery - presenting of interesting cases and mode of their treatment. The surgical cases are selected for their advanced complexity.

We have an excellent faculty to interact with delegates. We are keen to keep this Course very interactive so that live surgery is supported by lively discussions.

We will give our best to make your stay in Belgrade very useful for every day work, as well as to spend great time together.

We look forward to welcoming you.
